Every 30 seconds a child in Africa dies of malaria. Malaria is a preventable and treatable disease. Each of us can do something to help. Lutheran World Relief through The Lutheran Malaria Initiative (LMI) will be purchasing mosquito nets for families in Africa for every \$10 raised in awareness. This year our children will be 'swatting mosquitos' in order to help a child in Africa. Come check out our display in the Faith Builder Wing (administration bldg.) to learn more. We will begin 'swatting mosquitos' on Sunday, Sept. 5th to reach our goal of 50 nets.
